SUMMER EDITION

FILM CLUB

WHY JOIN OUR ENGLISH FILM CLUB:

- Watch new films
- Improve your listening and speaking skills in English
- Learn about British and American culture and society
- Develop social ties

The ENGLISH FILM CLUB is a place where members can watch, discuss, and review films on a regular basis with their peers. Each session, we will introduce the film, have a brief discussion to allow members to ask questions, and then run the film. Afterwards, we will have a discussion about the film and for those who wish to, time allowing, they can write up their own review and submit it to the weekly FILMCLUB review competition.

Our meetings will be held for 4 Wednesdays at 20.30pm beginning June 5th in a chilled, relaxed atmosphere.
